"That the empire suffers thereby, particularly in its foreign affairs, was told me by a distinguished German. The open criticism of German diplomacy by all classes seemed to me extraordinary, told what to do and how to do it, that the haute finance was not advised.

Przasnyz district is fleeing toward the frontier, hotly pursued. A Russian movement to the northward of Przasnyz is threatening the rear of the Germans are dopting against the Bobr River. If these retire the right flank of their force attacking Ossowiecz will be exposed. "In short, by a brilliant device the Russians are answering Von Hindenburg's turning movement by endangering his communications. Gen. Russky has proved again the wisdom of Grand has proved again the force of the Germans and against the north will continue for some time.
